US EAST COAST PORTS FACE IMMINENT DOCKWORKERS STRIKE

United States East coast ports are expected to close their activities entirely as they face a potential dockworkers' strike on 1st October, which have been called by the International Longshoreman's Association (ILA), representing over 85,000 dockworkers over a labour agreement dispute. Around 36 ports from New Jersey to Puerto Rico including five of the ten busiest ports in North America, would be paralysed.

EC REPORT ON BENEFITS OF COMPETITION IN RAIL TRANSPORT

A study released by the European Commission earlier this week highlights the user benefits of competition in both passenger rail and rail freight services. It reveals that increased competition in the EU rail market has resulted in significant reductions in ticket prices for rail passengers and in freight transportation costs.
