CIRCULAR: ENCUESTA SOBRE USO DE B/L ELECTRÓNICOS (TEC.-F- 05/26)

Remitimos la comunicación de FIATA en la que se facilita el enlace a una encuesta de FIT Alliance, sobre uso de B/L electrónicos.

Atentamente,

Martín Fernández
Secretario Técnico

Asunto: eBLs - FIT Alliance Survey

Dear Valued Association Members,

FIATA, as a founding member of the FIT Alliance, whose mission is to advance interoperability and accelerate the adoption of electronic trade documentation, invites you to share your industry insights on the adoption and use of electronic Bills of Lading (eBLs).

Your feedback will help the FIT Alliance better understand current industry practices, experiences, opportunities and challenges, and will contribute to shaping future initiatives supporting electronic trade documentation, eBL adoption and digital trade.

The survey takes approximately **5-10 minutes** to complete and will remain open until **15 September 2026**.

Thank you for contributing to this important industry initiative and for supporting the digital transformation of global trade through the adoption of electronic trade documentation.

With best regards,

FIATA International Federation of Freight Forwarders Associations
